

## 1 Kings 12 to 22: The Kingdom Divides (MacArthur Bible Studies)

Under King Solomon the Israelites had been a united people, but that all changed when his foolish son Rehoboam came to power. In the days that followed, the nation divided into two separate kingdoms. The reigns of these kings were turbulent, marked by a succession of ungodly monarchs in conflict with the Lords prophets. Among these rulers, perhaps none stood out more than Ahab and Jezebel, who not only led the northern nation of Israel into idolatry but actually conspired to murder a man simply because they wanted his garden! In this study, John MacArthur guides readers through an in-depth look at this historical period, beginning with the split between Judah and Israel, continuing into the remarkable events that occurred during the prophet Elijahs ministry, and concluding with the death of the ungodly King Ahab. Studies include close-up examinations of Elijah, Ahab, Jezebel, Asa, and others, as well as careful considerations of doctrinal themes such as the Sin of Syncretism and Being Faithful to Gods Word. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.
