

Day Trading: The Beginners Guide To Trading Stocks, 1 Hour Workdays, Financial Freedom & Beating Today's Market (Day Trading For Beginners - How To Day Trade)

Everything You Need To Know To Get Started In Day Trading Read on your PC, Mac, smart phone, tablet or Kindle device.

LIMITED TIME PRICE REDUCTION 40% OFF! Get Your Copy Today Do you want financial freedom? Do you want to be location independent? Well, then welcome to day trading! Welcome to a world, where you can literally work for 20 minutes and then go check out Paris afterwards. Sounds to good to be true? Well, since the invention of the internet, these kind of daydreams have become reality. Now, just like with any other job, the only thing you need, is education and practice - obviously. Day trading is a beautiful profession to be in, but without basic knowledge, you will go nowhere and probably lose all of your money. However, if you have your plan set up, your strategy in place and dont trade like a fool, **YOU CAN** create the life you want! This is what this book is all about. The biggest risk is not taking any risk... In a world thats changing really quickly, the only strategy that is guaranteed to fail is not taking risks. - Mark Zuckerberg In this eBook you will learn everything you need to know to get started and to be successful in day trading. Youll learn about the fundamentals while also getting a taste of what the professionals do. Day Trading: The Beginners Guide teaches you all the essentials about stocks, options, futures, and forex, but also about analysis, indicators, when to enter and exit the market, and support and resistance levels. On top of that it offers an introduction to reading candlestick charts as well as to identifying buy and sell signals. After reading this book, youll know if you are born to be a day trader or not! A Preview: What exactly is day trading? How to get started & how to create a day trading plan that suits you Learn about selecting a market, defining entry & exit points Learn about stocks, options, futures and forex Learn how to read candlestick charts

and spot opportunities Get insight into the secrets of successful day traders Learn how to evaluate and improve your day trading strategy & MUCH MORE! Download Today! [scroll to the top of the page and click the yellow buy button] Find out what Day Trading: The Beginners Guide To Trading Stocks, 1 Hour Workdays, Financial Freedom & Beating Today's Market can do for you, your life and especially your pockets! Ill promise you, you wont be disappointed! Thank you and good luck! Ill see you on the other side.
