

## 2nd Edition: Speed Demon (Protect and Serve)

My name is Officer Sargent, Sarge to friends and fellow police officers. You might have heard some rumors about me, but theyre all lies. Im not gay. Im not. The reason I watch my partners back is because thats what cops do; we watch out for each other. It has nothing to do with his broad shoulders or trim hips or shapely butt. My partner Nero is a demon, and he has a sick sense of humor, tricking me into thinking things no straight man should ever think. Im a genetically enhanced supercop, and I can handle his devilish magic. That is, until the unthinkable happens. Praise for Speed Demon Incendiary is putting it politely. Rough, hard, and take-no-prisoners activity follows and nothing, not even Internal Affairs, can stop them. -- Serena Yates, Rainbow Book Reviews Cynthia Saxs latest, SPEED DEMON, rocks. I love her demons... -- Barb, Bad Barbs Place Ms. Sax obviously enjoys making Sarge jump through hoops proving to himself that he is not gay, only to fall completely in love with his partner. The reader will laugh out loud as he/she follows the exploits of these two officers. -- 4.5 Stars from Candy, Sensual Reads ...I loved the eroticism of Sarge and Neros story and how its balanced with just enough emotional intimacy. SPEED DEMON is so great a read that Im going to go back and read previous stories in the series. -- 4 Stars from J9, The Romance Reviews
