

Love In Many Faces (Abby Jones Series Book 1)

Hey Readers! The world sure tells us a lot about love, doesn't it? Gushy, romantic books and movies definitely abound - but what about the way we love our friends, our family, or ourselves? Those types of love can be just as tricky to understand and make work. I'm sure glad to know about one love that never fails: God's Love! Let me show you why! ~Abby Jones

Love In Many Faces is the first book in the Abby Jones Series. In this series of three books, readers follow the life of Abby Jones, a Christian teen in public high school, as she confronts issues of current relevance in her journal entries, emails to friends, and interactions with people in her community. As she struggles with problems both serious and trivial, Abby rejoices that God remains constant.
