

## Once Upon a Rock Star: Backstage Passes in the Heavy Metal Eighties-Big Hair, Bad Boys (and One Bad Girl)

Rock me all night long... A decade of rock history...and a decade of rock fan adoration for one little chiquita from Omaha who spent star-studded nights with superstars of eighties rockdom: David Lee Roth with Van Halen, Billy Squier, Ozzy Osbourne, Jake E. Lee, Paul Stanley of Kiss, Motley Crue, Nikki Sixx, Bret Michaels and Poison, Vivian Campbell and Def Leppard, the J. Geils Band, Peter Wolf, Aerosmiths Steven Tyler and plenty more. Rockin' Rita and her sexy entourage were ultra-fans who rocked the boys in the bands' backstage and between the covers when the heavy metal rockers and hair bands rolled into town in their tour buses. With her own outrageously high hair and edgy original clothing designs, Rita never missed an opportunity to get the coveted backstage passes that led to dressing room parties and hotel hook-ups. This is a sex-and-tell story about her obsession for sex and drugs with rock stars. Rita reveals her flirtatious romps and hard rock tales with the bad boys of eighties heavy metal in her legend-filled story...Once Upon a Rock Star
