

Comes the Blind Fury

Amanda: A century ago, a gentle blind girl walked the cliffs of Paradise Point. Then the children came - taunting, teasing - until she lost her footing and fell, shrieking her rage to the drowning sea... Michelle: Now Michelle has come from Boston to live in the big house on Paradise Point. She is excited about her new life, ready to make new friends...until a hand reaches out of the swirling mists - the hand of a blind child. She is asking for friendship...seeking revenge...whispering her name...
