

SunBirds: #1 Beginnings

Aquarius, a handsome Indian Blue peacock, just wants to live the birds life. And he does... At least until a previously doomed-to-be-dinner beetle, warns him about a new threat. An evil so deadly, it threatens to take his peachick son, Mocha, away. Now Aquarius must lead a group of peacocks to fight and save everything they love most, but the problem is--will this make them the SunBirds, or will this simply tear Aquarius apart? And all of the time, Aquarius knows the clock is ticking, and the time to save his peachick Mocha, may be up...
