

Resisting the Bad Boy (Nice Girl to Love)

Abby Bartlett is the quintessential nice girl. Between teaching, volunteering, completing her PhD, and helping her best friend raise his daughter, Abby never gets the chance to be anything but nice. That is, until the all-wrong-for-her man she's only ever known from afar starts daring her to simply take that chance for herself. His sage advice? Try something wild and fast.

Preferably him. An unbridled, hotshot attorney with a not-so-little black book, Connor Sullivan has earned himself quite the bad boy reputation. But in his defense, he's a very conscientious one. He knows far too well that sometimes in life, love isn't enough . . . or worse, not even a factor at all. To avoid that misery and repel the drama, Connor always makes his one and only rule crystal clear right from the start. Absolutely nothing more than a month. Turns out, a whole lot can happen in one month.
