

A Cold Creek Reunion (Cowboys of Cold Creek Series Book 10)

He was the one you called when you needed rescuing But who was Taft Bowman going to call when he needed help? Because ten years ago Laura Pendleton, the love of his life, had left town without a word, then or since. Now she was back, with a new last name and two adorable, high-needs little ones in tow. Well, Taft had been stupid enough to let her go once before he wasn't about to make the same mistake again. He'd never stopped loving her and one look at those adorable little faces and he knew that he was meant to be with Laura and her kids forever. All he had to do was convince her that this time he was a man she could count on!
