

A Complete Guide to Passing the European Qualifying Exam 2006: And Qualifying as a European Patent Attorney

The revised and updated 2006 edition is designed specifically to help candidates pass the European Qualifying Exam. This unique book offers complete step-by-step guidance on preparing for and passing all papers in the exam, A to D. * Edited by Simon Roberts, Lecturer at CEIPI and Coordinator of the London CEIPI Course, written by Simon Roberts and Andrew Rudge * Sets out practical strategies, model answers using old exam questions and work plans for answering each paper - a feature unique to this publication * Incorporates comprehensive guides to the EPC and PCT, including Articles, Rules, relevant case law and references to Ancillary Regulations, Guidelines for Examination, national law and other materials * Arranges the EPC and PCT logically by subject matter so that even a newcomer to these texts will be able to locate relevant information easily and rapidly - another feature unique to this book * Updated to take account of rule changes since the 2005 edition
