

## The Foot Soldiers (Volume II)

The next five chapters of Jim Kruegers cult-classic series are collected here for the very first time, all under a brand-new cover, created specifically for this volume by Bill Sienkiewicz! In a future oppressed by a police force that keeps a law that no one can possibly live under, a new hope was unearthed in THE FOOTSOLDIERS VOLUME ONE, where three boys were chosen by a mysterious old man to exhume a forgotten legacy buried in the Graveyard of Forgotten Heroes... but did the rebirth of heroes bring about the birth of villains? Featuring brand-new appendices to each chapter written by Jim Krueger, as well as a brand-new six-page story written by Krueger, penciled by GREEN ARROW artist Phil Hester, and inked by industry legend Bill Sienkiewicz for this very collection! Plus, never-before-seen Hester art and stories. Cover by Alex Ross
