

A Text Book of Masonic Jurisprudence: Illustrating the Written and Unwritten Laws of Freemasonry (Classic Reprint)

Excerpt from A Text Book of Masonic Jurisprudence: Illustrating the Written and Unwritten Laws of Freemasonry Four years ago I wrote, and soon after published, a treatise on the Principles of Masonic Law, which was received by the Fraternity with a readiness that convinced me I had not miscalculated the necessity of such a work. In the composition of it I was entering upon a field of Masonic Literature which had, up to that time, been traversed by no other writer. There was, it is true, an abundance of authorities scattered over thousands of pages of Grand Lodge Proceedings, and contained in the obiter dicta of Grand Masters Addresses, and the reports of Committees on Foreign Correspondence. But these authorities were often of a conflicting character, and as often were repugnant to my sense of justice, and to the views I had long entertained of the spirit of equity and reason which pervaded the Masonic Institution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
