

## A Touch of Death (Hard Case Crime Book 17)

The score would be an easy one if it weren't for the women involved. Out of work and dead broke, Lee Scarborough is a long way from his days as a football hero when he meets the sunbathing Diana James, an innocent-looking creature with a plan to make a fortune. A few months back, her lover embezzled \$120,000 from a bank, but disappeared before she could get her hands on the cash. The police think he's fled the state, but Diana is sure he's dead, and knows who killed him: his wife, Madelon Butler, a sadistic drunk who is capable of anything. The cash is inside Madelon's house, waiting to be stolen a third time, and all Diana needs is a patsy. Scarborough fits the bill. The plan sails along smoothly until Scarborough meets Mrs. Butler. By the time his luck runs out, he'd rather face a dozen hulking linebackers than these two beauties, who have been driven to a frenzy by jealousy, greed, and lust.
