

## Abandon

New from #1 New York Times bestselling author Meg Cabot, a dark, fantastical story about this world . . . and the underworld. Though she tries returning to the life she knew before the accident, Pierce cant help but feel at once a part of this world, and apart from it. Yet shes never alone . . . because someone is always watching her. Escape from the realm of the dead is impossible when someone there wants you back. But now shes moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she cant. Because even here, he finds her. Thats how desperately he wants her back. She knows hes no guardian angel, and his dark world isnt exactly heaven, yet she cant stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.
