

The Complete Abba

All the singles, all the albums, all the tours, all the TV specials and movies... all the ABBA! For four decades ABBA - the combined talents of Agnetha Faltskog, Bjorn Ulvaeus, Benny Andersson and Anni-Frid Lyngstad - has been a global music phenomenon, clocking up record sales of over 360 million. Unquestionably one of the most respected and recognisable brands in pop, Scandinavias all-conquering musical export actually remained together for only ten years but the groups influence resonates as much today as it did in the 1970s. Thanks to the global success of the musical Mamma Mia!, ABBA's hit songs are cherished by millions of new admirers, but it is the original recordings which set the bench-mark for 20th century pop. The beautiful, cascading melodies and unmistakable harmonies of Dancing Queen, SOS, Take a Chance on Me and The Winner Takes It All have a unique power to inspire passion and devotion in equal measure. For the very first time The Complete ABBA compiles all of the Swedish supergroups singles, albums, TV specials, tours and movies. Beginning with their 1972 debut single People Need Love, the book chronicles the bands incredible story right through to Bjorn and Bennys triumphant Thank You for the Music tribute concert held in London in 2009, and beyond, to 2012, the bands 40th anniversary. This is all the ABBA youll ever need!
