

## Mental (ACHUKAbooks)

Superb psychological study of a young mans deepening depression and the effect this has on his sister and a male friend. Skillfully told in the distinctive voices of the three main players, you will find this one of those hard-to-put-down-and-leave-it-where-it-is reads. ACHUKAbooks is honoured to have the privilege of publishing such an excellent novel by the author of Disconnected and Close-Up.
