

Adobe Photoshop CS: Photographers Guide

Photography and Photoshop go hand in hand. If you feel there isn't enough photography in the average Photoshop book, and there isn't enough Photoshop in the average photography book, then the book you're looking for is right in your hands. Whether you are a digital or conventional camera buff, this full-color book is the ideal guide for diving into the most important elements of Photoshop CS. Examine Photoshop from a photographer's perspective and learn how to fine-tune your photos as you transform them from quick snapshots into truly compelling images.
