

Adventures in Cuntopia: The Life of a Punk Rock Prom Queen

Sexy, flamboyant and hilarious female punk rock singer-songwriter Colleen Caffeine started out as a forgotten, overweight, confused and sheltered child born in troubled and destitute Detroit. In spite of it all, she has managed to live out her teenage dreams of playing in clubs and festivals all over the world in the band she created, Choking Susan. Fueled by her passion for punk rock and unusual life, she has written, performed and recorded hundreds of songs in the United States and internationally. She taught herself bass, becoming an award-winning bass player. Be entertained by her wacky mind and interesting take on life by reading about her journey, her good luck, crazy times and insane romances. When there's nowhere to go but up, that's where you go.
