

Rare Endeavors

Two research scientists, Rico Sanchez and Annette Hargraves, pursue their dreams: his, to discover whether his long-held belief is true; hers, to get him safely back! Both find themselves involved with a suspected terrorist group. She goes to Brazil with the government hot on her trail. He's somewhere out there, seemingly still in charge. In pursuit of her goal, she unexpectedly discovers an advantage that gives her the upper hand in her struggle, which she uses only to be disappointed. Rico returns or does he?
