

California History!: Surprising Secrets About Our States Founding Mothers, Fathers & Kids! (Carole Marsh California Books)

In this unique and timely state history title, students will explore what their own family members contributions to Californias history have been as well as what contributions they would like would like to make to their state as they grow up. Covers: What is California history? Who is important in our states history? When is history? Where have the most important historical events taken place? Why should kids care about California history? and much more. Using critical historic epochs as a backdrop, the author cleverly convinces kids that ordinary citizens are the truly important role-players in our states success. Includes reproducible activities, glossary, bibliography and index.

Free teachers guide gives specific suggestions & instructions on how to get max educational value from this book.
