

Incarname (A Spellmason Chronicle Book 3)

HITTING ROCK BOTTOM When Alexandra Belarus discovered her family's secret ability to breathe life into stone, she uncovered an entire world of magic hidden within New York City. A world she has accidentally thrown into chaos. A spell gone awry has set thousands of gargoyles loose upon Manhattan, and it's up to Lexi and her faithful protector, Stanis, to put things right. But the stress of saving the city is casting a pall over Lexi and Stanis's relationship, driving them to work separately to solve the problem. As Stanis struggles to unite the gargoyle population, Lexi forges unlikely alliances with witches, alchemists and New York's finest to quell an unsettling uprising led by an ancient and deadly foe long thought vanquished. To save her city, Lexi must wield more power than ever before with the added hope of recovering a mysterious artifact that could change her world and bring her closer to Stanis than she ever thought possible.
