

Alex Rider 7- Snakehead (French Edition)

Dans ce septieme volet des aventures du jeune espion Alex Rider, le heros se retrouve en Australie apres son periple dans l'espace (voir : Arkange). Il est alors confronte a un reseau d'immigration illegale, et en particulier au gang chinois Snakehead tenu d'une main de fer par le terrible Major Winston Yu. Le service de renseignement australien depeche alors Alex Rider a Bangkok, pour enquerir sur ce redoutable gangster. Ces nouvelles peripeties mettront sur le chemin de notre jeune heros un personnage enigmatique, qui semble en savoir long sur la mort des parents d'Alex, qui demeure un mystere insoluble... ou pretendu tel !
