

Improve Your Sight-Reading! Trinity Piano: Grade 3 (Faber Edition: Improve Your Sight-Reading)

The best-selling Improve Your Sight-Reading! series by renowned educationalist Paul Harris has now been extended to offer a series of editions supporting the Trinity College London sight-reading criteria. The books have been specifically written to reflect Trinity's parameters for each grade and contain new material throughout. Designed to help you overcome all your sight-reading problems, these books follow the same progressive format as previous editions: technical aspects are introduced step by step, firstly through rhythmic and melodic exercises, then by studying prepared pieces with associated questions, and finally going solo with a series of meticulously graded sight-reading pieces.
