

MyMathGuide: Notes, Practice, and Video Path for Introductory Algebra

NEW! MyMathGuide: Notes, Practice, and Video Path is a loose-leaf workbook that is correlated to the To-the-Point Objective Videos and can be accessed within MyMathLab or packaged with the text or MyMathLab code. It provides: * A guided path where students can follow along with the To-the-Point Objective Videos (while filling-in the steps from the videos), or while reading the textbook, or listening to instructor lecture. * Notes on key concepts, skills, and definitions for each learning objective.*Vocabulary practice and review.*Examples that offer problem-solving practice where students can fill-in the blank steps to guide them through solving the example, plus Your Turn practice exercises.*Space to write questions and notes, and also can provide a good foundation for a hybrid or self-paced course notebook or lecture notes.*Additional Practice Exercises with Readiness Checks.
