

All Girl Orgy

It was too much. I couldn't believe it. My own private fantasy happening. The lady wrestler was naked and she was gorgeous, huge and voluptuous, with a lush pink body that just blew me away. I wanted to devour her instead, for starters, I was going to wrestle her. We hit the mat and grappled, and I shivered as her fingers grabbed hold of my cunt pushing right into the meat. I rubbed my face into her ass and then started pulling the cheeks apart, looking in at her crotch and her asshole. I stuck my tongue into her small, pink anus. She groaned and quivered at that. She pushed her fingers deeper inside me and a wave of ecstasy ran all through me. Okay, you want to play rough, I said. Well see about that, baby And then I jumped on her and forced my hand into her as she groaned and quivered and her muscles squeezed tight against me. Yeah, that's it get it all juiced up, sweetheart, I said excitedly to her.
