

Sabaskas Tale (Tales of the Travelers Book 1)

Book One in Tales of the Travelers Young Adult/Teen Fantasy novel To Anna, horses were more than a fascination, they were everything. Luckily, she had the opportunity to spend every summer on her grandmothers horse ranch in Colorado. Life was perfect, until she received the devastating news that her grandmother had been tragically killed. Anna knew she was the only member of her family who could take over the ranch and hopefully find new homes for her grandmothers beloved Arabians. Anna wasnt alone for long. Her grandmother had hired a local teenage boy to help tend the horses for the summer. Anna didnt stand a chance against Codys quiet charm and the two rapidly become friends. However, even with the responsibilities of the ranch, Anna quickly discovers the secrets her grandmother had been hiding and a legacy that sends her on an adventure she never thought possible. An adventure in the saddle of a horse that wasnt a horse at all. Sabaska, her grandmothers favorite Arabian, was a Traveler; a magical being that could travel between worlds. With Anna at the reins, they find themselves trapped in a fight against evil with the highest of stakes Their very survival. BOOK 2, Sabaskas Quest is now available!
