

## American Democracy Now with Connect Plus Access Card

Increase student performance, student engagement, and critical analysis skills with the third edition of American Democracy Now. This program is available with GinA, an educational game in which students learn American Government by doing, as well as McGraw-Hill's LearnSmart, an adaptive questioning tool proven to increase content comprehension and improve student results. Try our Politics in Practice which uses real-life scenarios to develop students' critical thinking skills through activities and a written argument. Unique to this program, American Democracy Now 3e is a student-centered text focused on student performance. This contemporary approach and design, coupled with market-leading digital products, make this an ideal solution to course goals.
