

An Affair Before Christmas

One spectacular Christmas, Miss Perdita Poppy Selby met the man she thought she would love forever. The devilishly attractive Duke of Fletcher was everything the convent-educated girl wished for in a suitor and their wedding day was perfect. Four years later, Poppy and the duke have become the toast of High Society but behind closed doors the spark of their love affair has burned out. Fortunately, Poppy has a friend in Jemma, the Duchess of Beaumont. Jemma, who is toying with another man herself, reveals to Poppy a world of strategy and desire that will change Poppys whole outlook on love forever.
