

An Unkindness of Ravens - An Homage to Edgar Allan Poe

Edgar Allan Poe is one of the most influential authors in the genres of horror and dark fantasy; his presence can be felt in everything from Sherlock Holmes to Stephen King. In AN UNKINDNESS OF RAVENS, you will find modern fiction directly connected to and inspired by the master, penned by two Bram Stoker Award-winning authors. In Ennui you'll find a descendant of Auguste Dupin, Poes version of Sherlock Holmes, an answer to the Jack the Ripper murders and a hint of a possible back-story for Dr. Van Helsing. In The Purloined Prose, Edgar Allan Poe is the protagonist, and a very different version of how and why he wrote his stories is offered. In W.W.P.D. (What Would Poe Do) you will find two young men with a particularly odd obsession with Poes fiction, and his solutions to problems... Also included are an authors introduction and the first two chapters of the new novel NEVERMORE - A Novel of Love, Loss & Edgar Allan Poe - by two-time Bram Stoker Award winning author David Niall Wilson. Nevermore is a brand new novel, just released by Crossroad press, soon to be available in Hardcover, trade paperback, and unabridged audio - available now for your Kindle.
