

## La noche de todos los santos (B de Books) (Spanish Edition)

En Nueva Orleans, antes de la guerra de Secesión, existió una casta muy peculiar. Sus miembros eran descendientes de esclavos, pero llevaban también la sangre de los esclavistas franceses y españoles. El atractivo que sus hermosas mujeres ejercían entre los blancos acabó por convertirse en una leyenda. Esta historia está protagonizada por Marcel, un adolescente mestizo, y su hermana, la bellísima y vulnerable Marie.
