A rollicking story of robbery and seduction. The fishermen on Upper Lake lose their ice fishing catches to invading thieves from neighboring Lower Lake. Since the robbers skate away with the trout leaving the fishermen far behind, Denni asks his future mate to teach them how to skate too. Unaware that Denni has a practical purpose for learning to skate, Mirista is delighted that he has stopped calling her graceful jumps and twirls a fanciful wast of energy. As the lessons advance, the contest between the Upper and Lower Lake fishermen comes closer to looking like a rudimentary version of a modern-day sport.
