

Four Arthurian Romances: Cliges

It tells the story of the knight Cliges and his love for his uncles wife, Fenice. Because of the story's de-romanticized depiction of adultery, it has been called a criticism or parody of the Tristan and Isolde romances. Cliges scholar Lucie Polak not only verifies the Tristan and Isolde reworking found in the text, but also suggests that Cliges may be modeled after Ovid's character Narcissus.
