

## Resignation: Book Two of the Calligraphy Jones Series

Resignation, Book II, continues the story begun in Revelation, partly from the point of view of Callie, and partly from Ethan, Callie's boyfriend and member of the Benefactors. The battle between the forces of evil and good continues, as both sides vie for Callie's magical talent. The book begins as Callie is lured by the forces of Morgan into underground caves in Syria, where Callie is coerced into joining forces with the malevolent Marduk to save her family.
