

Whispers in the Sand

The gripping new suspense story by the bestselling author of *LADY OF HAY* and *ON THE EDGE OF DARKNESS*, is set in richly mysterious Egypt, where past and present elide. Recently divorced Anna Fox decides to cheer herself up by retracing a journey her great grandmother Louisa made in the mid-nineteenth century - a Nile cruise from Luxor to Aswan. Anna carries with her two of Louisa's possessions: an ancient Egyptian scent bottle and an illustrated diary of the original cruise that has lain unread for over a hundred years. As she follows in Louisa's footsteps, Anna discovers in the diary a wonderful Victorian love story - and the chilling secret of the little glass bottle. Meanwhile two men from the tour party develop an unfriendly rivalry for her attention, while showing a disturbing interest in Louisa's mementoes. Most frightening of all, Anna finds herself the victim of a spectral presence that grows in strength and threat as the dramatic stories from three different eras intertwine in a terrifying climax.
