

Caught Between Monsters (Edge of Humanity)

Monsters hide among the suburbs. Roland McReedy knows because he works for one, under duress. The Rajah. Roland and his partner Nelson hunt down occult oddities under threat of death for themselves, and worse and their families. Roland and Nelson face the night with only their knives, billy clubs, and wits to protect them. But the Rajahs latest demand pits Roland and Nelson against the foulest creatures in the San Francisco Bay Area, including a horror older than time itself. In a world full of monsters how can mere humans survive? Caught Between Monsters, an exciting dark urban fantasy novel, set in a world where magic causes more problems than it solves. From Stefon Mears, author of the Rise of Magic series.
