

The Line That Binds: Series Box Set

Series Box Set includes The Line That Binds & The Line That Breaks Wishes dont come true. I should know. If they did, my addict mom wouldnt have left, and my dad wouldnt have lost his job. I wouldnt have moved cross-country to a creepy old house on an estate willed to me by some crazy great-aunt I never knew. Its not exactly the best way to start senior year, but life in Las Vegas is over, and change is exactly what I need. When I meet the groundskeepers smart-mouthed grandson, I can tell by his gritty style that hes the kind of change I probably should avoid. And when I ask him about my familys past, his dark, mischievous eyes tell me more than his words. But its not until I find the well and the headaches begin that I realize how much hes really hiding. Maybe wishes do come true. With a price.
