

Batman: Year One Deluxe

A New York Times Best Seller! A new trade paperback edition of one of the most important and critically acclaimed Batman adventures ever, written by Frank Miller, author of THE DARK KNIGHT RETURNS! In 1986, Frank Miller and David Mazzucchelli produced this groundbreaking reinterpretation of the origin of Batman—who he is and how he came to be. Written shortly after THE DARK KNIGHT RETURNS, Miller's dystopian fable of Batman's final days, Year One set the stage for a new vision of a legendary character. This edition includes the complete graphic novel, a new introduction by writer Frank Miller and a new illustrated afterword by artist David Mazzucchelli. Completing this collection are over 40 pages of never-before-seen developmental material such as character and layout sketches, sample script pages, sketches, and more that provide a glimpse into the making of this contemporary classic. This volume collects Batman #404-407.
