

Battle for Cascadia, The Second Book of The Gaia Wars

BATTLE FOR CASCADIA The Second Book of The Gaia Wars When Warren Wilkes, age 13, stumbles upon a mysterious relic deep in the Cascade Mountains (The Gaia Wars) wonder reigns. Brimming with secrets and sentient energy, the relic leads Warren to a fantastic chamber, and to shocking revelations about his identity. Now wonder has turned to dread. A forgotten terror-- a demon that knows Warren better than he knows himself-- has risen again and is gathering power with a singularly evil goal in mind: to capture and enslave the wild spirit of the Earth itself. Warren must fight or see all that he cherishes destroyed.
