

## Be Good Be Real Be Crazy

Three teenagers. One road trip. Countless detours. From the author of *Even in Paradise* comes a story about love, friendship, and finding yourself that is perfect for fans of *Paper Towns* and *Mosquitoland*. When Mia first waltzed into Homer's small corner of Florida, she changed Homer's entire world. It wasn't long before he was hopelessly in love. But now Mia is moving away and Homer and his younger brother, Einstein, are helping her drive hundreds of miles to her new home. This might be Homer's last chance to tell Mia how he really feels. And with so many detours in front of them, anything could happen.
