

## Beyoglu Blues (German Edition)

Beyoglu Blues - der erste Band von Gerrit Wustmanns deutsch-türkischer Lyrik-Trilogie über Istanbul jetzt auch als e-book! Ein Spaziergang über die Galatabrücke im Zwiegespräch mit dem türkischen Dichter Sait Faik; ein letzter Tee am Abend zu den Klängen einer Saz und ein kraftiger Schuss huzun in den namenlosen Seitengassen, in denen die Katzen streunen - das ist der Sound von Beyoglu Blues.
