

Spotlight On The Minor Prophets - Joel: Part 3 of a Christian home group Bible Study series on the 12 Prophets

Introducing The Minor prophets - Bible Study Guidebook: Joel The Prophet Joel is the third book in this Bible study series Spotlight On The Minor Prophets. Why are these giants of the scriptures called Minor? Simply because their books are typically short, and nothing at all to do with the importance of their individual messages, or indeed the impact they had on the listeners. These short studies are intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Job states that As sure as sparks fly upwards, Man is born to trouble. The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that if we do not learn from our mistakes, then we are doomed to repeat them. Perhaps its time to listen to their problems and find solutions...
