

## Big, Bad Wolf

Whos afraid of the big, bad wolf? From the outside, librarian Megan Upton appears to live a quiet, painfully ordinary life. Shes lonely, but shes content, more or lessthat is, when she isnt being haunted by wolves. She sees their hulking shadows in blizzards, and their shapes stalk her dreams. Even worse, its a family affliction: her beloved grandmother, whose sanity seems to be slowly slipping away, raves about seeing phantom wolves, too. When a twist of fate brings the beautiful, enigmatic, hungry-eyed Kara into Megans life, Megans wolf sightings intensify, even as her attraction to Kara grows. Soon, despite the wintry weather, love begins to warm Megans heart. But sharp-toothed danger lurks everywhere. One dark, snowy night at her grandmothers isolated cabin in the mountains, Megan will have to confront the wolvesand the truth about her family, Kara, and herselfface to face. Part heart-pounding mystery, part epic romance, the novel *Big, Bad Wolf*, will leave you spellbound.
