

## Black and White Photography Field Guide: The essential guide to the art of creating black & white images (The Field Guide Series)

In this pocket-sized, portable guide, renowned photographer Michael Freeman addresses one of photography's most popular--and challenging--areas: black and white. With advice on lighting, shooting, conversion, and post-production, this is know-how that no photographer can afford to be without. Perfect for the digital photographer who wants to shoot and process RAW files as black and white images.
