

## Bob Servant: Hero of Dundee

In *Delete This At Your Peril*, Neil Forsyth introduced the fictional character Bob Servant to the UK and North America and his creation quickly gained a critically-led cult following. *Trainspotting* author Irvine Welsh picked *Delete This At Your Peril* for *Esquires Funniest Books Ever Written* and both the book and the Bob Servant character are being developed for television and radio by the BBC. Sixty-three years old and resolutely single, Servant spends his days with a small number of trusted associates pursuing unlikely business opportunities, giving stern views on current affairs and chasing skirt. His outlook on life is one of unbridled ambition and self-belief as he constantly battles the local boo boys for the respect that he undoubtedly deserves. *Bob Servant: Hero of Dundee* charts the hilarious, whimsical and action-packed life-story of Bob Servant, unveiling with touching bravery, a fearless romp through a life full of incident, from his rise from a childhood of abject poverty, through a career in the merchant navy, his establishment of the largest window-cleaning round in Western Europe and his part in Dundee's infamous Cheeseburger Wars of the early 1990s, to his current standing as an unemployed gigolo in Broughty Ferry.
