

A Man Above Reproach

2013 Winner Amazon Breakthrough Novel Award Romance In 1830s London, scandalous whispers surround the pub known as the Sleeping Dove, a hidden bordello catering to nobles eager to shed the trappings of their stations. Josephine Grant knows the rumors are true ? she plays piano at the Dove and is known only as the Bawdy Bluestocking to the pubs faithful. The reluctant Duke of Lennox is called The Uncatchable by society ladies, not that he cares for them or their nicknames. Elias Addison's estate was thrust upon him when his father died, and it has been little else but a burden. When a friend brings him to the Sleeping Dove in an attempt to lighten his mood, the Duke of Lennox finds himself at the Bawdy Bluestockings piano, and together they begin to play a dangerous melody. When the Duke uncovers the truth about her, will he wish he had never heard the tune?
