

Black & White Photography: The timeless art of monochrome in the post-digital age

Beautifully illustrated and far-reaching in scope, this guide is destined to be a standard reference for years to come. Alongside the work of author Michael Freeman, you'll find the classic photography of renowned black and white photographers such as Ansel Adams, Ian Berry, Bill Brandt, Edward Curtis, Brett Weston and Edward Weston. Freeman covers all aspects of black-and-white digital photography: the fine art tradition as well as the techniques. Learn how to see and expose in black and white, digitally convert colour to monochrome and develop a black and white digital workflow using the latest software.
