

Measuring Up (Boys of Summer) (Volume 4)

School is back in session, and it might be a year to remember. Tom Van der Haas had an amazing summer in the Yucatan, but now its time to get back to real life. With new roommates Matt Tucker and his cousin Eric Van der Haas, he faces new challenges: leading a youth group, dealing with family issues, a little mission work, and even a kidnapping. Through it all, he tries to figure out how his view of himself differs from Gods view of who he is, because Tom doesnt see himself very clearly. His friends hope he figures it out soon, because before the semester is over theyll need his help in some big ways. Book four of the Christian teen series Boys of Summer.
