

Breathless

Sophie Morton knows she's in big trouble when she botches a bust for a sexy detective. But getting arrested is the least of her worries. Detective Blake Barker has decided to go undercover to end a money-laundering scheme at the bank where she works. So much for never seeing him again! Now her bedtime fantasies have become daytime fantasies. And it's taking all her willpower not to give in. Blake isn't sure whether he should curse or thank the day he met Sophie. The blond bombshell is a huge distraction, but he can't stay away from her. She keeps telling him she doesn't sleep with co-workers, but rules were made to be broken. Her life is in danger, and Blake is determined to protect her. So what if that means staying close to her perfect body day and night? A job's a job, and he's not letting this gorgeous woman out of his sight.
