

Brian Lumleys Necroscope Buch 3: Blutmesse (German Edition)

Blutmesse (enthält die Ausgaben DAS DAMONENTOR, BLUTLUST und HOLLENBRUT) Eine abgelegene Felslandschaft im Uralgebirge beherbergt eine russische Forschungsstation, die argwöhnisch von westlichen Agenten beobachtet wird. Hier hat sich nach einer gewaltigen Katastrophe ein geheimnisvolles Tor zur Welt der Vampire geöffnet. Während die Vampire versuchen, erneut auf der Erde Fuß zu fassen, erforschen die Menschen deren fremde Welt. Steile Felssturme mit mächtigen Festungsanlagen, eine Sonnenseite und eine Sternseite, aus deren Schatten die peitschenden Fangarme von Wamphyri nach ihnen greifen: Wie können die Menschen unter solchen Bedrohungen überleben? So wie Brian Lumley den Vampir darstellt, hat es noch kein Autor gewagt.
