

## Pricksongs and Descants (Penguin Modern Classics)

In his carnivalesque and riotously inventive *Pricksongs & Descants* Robert Coover remakes old stories: of Red Riding Hood, Hansel and Gretel, and Beauty (who married her Beast and spends a lifetime suffering his doggy stink). And he reshapes his own: a man makes repeating, re-imagined journeys in an office elevator (while his fellow riders taunt and tempt him), and in the seminal, fractal *The Babysitter* every moment in a single night is played and replayed, every hope and threat of sex and violence done and undone. Coover's dark, wilful, comic imagination reveals brilliantly in contradictions, a master of chaos.
